

Intersession Work: Between Sessions 3 and 4

OrangeGrove
Consulting

Please complete the following before the next session. Note these in your journal. Email susanna@orangegroveconsulting.com with any questions or concerns. This will take you around 3–5 hours. Feel free to use more time if you would like to detail it even further.

ACTIVITIES

1. Explore your financial acumen

Practice the concepts you learned from the simulation. Use the process in your decision making. What do you notice? ?

2. Development Goal

Continue to work on your overarching development goal

What are you noticing?

3. Meet with your accountability partner

How are your changes coming along?

Where are you struggling?

Where are you succeeding?
